40 Years After Marines, SLCC's Hughes Works to Answer Health Questions

Salt Lake Community College Asst. Professor Harry Hughes is working to help the families of more than 300 veterans and their families sort through water borne illness issues from the 1960's. To read the Salt Lake Tribune article, click on the following link below:

Marines, families warned of water contamination <http://www.sltrib.com/news/ci_12579118>
