\$1,225.00

Total Lab Fee:  
\$60.00

Books/Supplies:  
\$1,430.00

Financial Aid:  
Pell, VA

Information current at time of printing.

Students will receive guidance and instruction from MCSA/MCSE certified instructors throughout this intensive "hands-on" program as they learn to install, configure, manage, secure and troubleshoot the latest Windows client and Server operating systems and services in a Windows domain environment. The training can also be used as a step in preparation to take industry exams to earn Microsoft Certified Technology Specialist (MCTS), and either Windows 2003 Microsoft Certified Systems Administrator (MCSA) and Microsoft Certified Professional (MCP) or Windows 2008 Microsoft Certified Information Technology Professional: Server Administrator (MCITP:SA) titles. Industry conferences and workshops are included as supplemental classroom activities geared toward informing students of trends and changes within the industry.

## Occupations in this Area
