**Total Program Hours 1,100**

This program utilizes Microsoft approved course materials to prepare students to take industry certification tests so that they can earn the Microsoft Certified Systems Engineer (MCSE), Microsoft Certified Systems Administrator (MCSA), Microsoft Certified Technology Specialist (MCTS), and Microsoft Certified Professional (MCP) Certificates from Microsoft. The MCSE certified instructors teach students, through hands-on activities and individualized instruction, to effectively install, maintain, secure, and troubleshoot computer networks running the latest Windows Server and client operating systems. Active Directory, Group Policy, Network Security, Web Site Management, DNS, WINS, Routing, Remote Access, VPNs, DHCP along with a variety of other networking topics will be covered in this program.
